The SchraderAir Prosumer line of single stage air compressors offer advanced design and performance features not found in the competitors products. The Prosumer line is ideal for personal, hobby shop, weekend warrior and home use.

- Cast iron cylinders with all components precision CNC machined.
- Large stainless steel valves offer less flow restriction giving greater volumetric efficiency, cooler running temperatures, and longer valve life.
- Iron crankshaft, counter balanced for smooth running and longer bearing life.
- Large offset on flywheel blades creates exceptional airflow characteristics.
- Single stage pumps feature high profile fin design on cylinders to improve heat dissipation.
- Preset pressure switch with on/off switch.
- Manual drain valve.
- ASME Certified Storage Tank.
- (1) year limited warranty. (90 day warranty for commercial applications.)
- Assembled in USA.
